Maintenance dredging at St. Jerome Creek, St. Mary's County, MD, with hydraulic pipeline dredge. Approximately 55,000 cubic yards of sandy and silty material transported and placed in a new upland placement site to be constructed under this contract. All responsible sources may submit a bid which shall be considered by the agency. The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. The media through which the Government chooses to issue this solicitation will be the Internet only. This solicitation will not be issued in paper. Contractors' requests for this solicitation will be performed through ASFI. Contractors may register to be placed on the Bidders/Offerors mailing list by going to the website: <https://ebs.nab.usace.army.mil>. In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. must include the name of the particular contract specialist for the particular project. All deliveries, packages, etc. of more than one box or container must be bound together by tape or other means.

In order to comply with the Debt Collection Improvement Act of 1996, all contractors must be registered in the Central Contractor Registration (CCR) to be considered for award of a Federal contract. For information regarding future registration, contact CCR Web site at <http://ccr.gov>. Other information regarding registration can be obtained through CCR Assistance Center (CCRAC) at 1-888-227-2423. A paper form for registration may be obtained from the DOD Electronic Commerce Information Center at 1-800-334-3414. It is imperative that all small disadvantaged businesses contact their cognizant Small Business Administration Office to obtain Small Disadvantaged Business Certification. Without SBA SDB certification, a prime contractor nor a federal agency can receive SDB credit when utilizing non-certified SDB contractors/ subcontractors.
