Synopsis:

This proposed procurement is 100% set-aside for small businesses. The Government intends to procure through Simplified Acquisition Method (commercial items with evaluation factors). Total estimated amount is between \$1,000,000.00 and \$5,000,000.00. Contractor shall provide protection service performed in a professional manner is the prime requirement of this contract.

The basic work to be performed under the terms of this contract will be accomplished at the following two facilities of the U.S. Army Corps of Engineers, Washington Aqueduct Division: McMillan Reservation, 2500 First Street, NW, Washington, DC 20001 and The Dalecarlia Reservation, 5900 MacArthur Boulevard, NW, Washington, D.C. 20016. The Guard Force shall safeguard Government property against trespass, pilferage, vandalism, theft, sabotage fraud, arson or other criminal or prohibited acts and perform specific duties outlined in these specifications, the guard post orders and other duties as directed by the Contracting Officer or his representative. The period of performance is one base year plus four option years. Offerors must submit a technical proposal as well as a price proposal. The technical evaluation criteria will be established in the solicitation. Award will be based on the best technical proposal and not on the lowest price. NAICS Code is 561612 and the small business size standard is \$14,000,000.00. The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. The media through which the Government chooses to issue this solicitation will be the internet only. This solicitation will not be issued in paper. In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. must include the name of the particular contract specialist for the particular project. All deliveries, packages, etc. of more than one box or container must be bound together by tape or other means.

In order to comply with Debt Collection Improvement Act of Offerors shall submit their proposals to the US Army Corps of Engineers, 10 S. Howard St., Room 7000, Baltimore, MD 21203-1715 no later than the time and date specified on in Block 8 of Standard Form 33. The solicitation will be provided in an electronic format, free of charge, to all authenticated account holders of Federal Technical Data Solution System (FedTeDS) -- a one-time registration process for vendors/contractors -- Accounts may only be attained by CCR-registered contractors/vendors, go to www.fedteds.gov for additional information. After issuance of the solicitation, contractors may view and/or download this solicitation and all amendments at the following internet address:
