**Synopsis:** UPAO Demolition/Debris Removal Contract, Jennings Randolph Lake Project, West Virginia, Baltimore District, U.S. Army Project Corps of Engineers. The Government reserves the right to order all or any of the bid items per bid schedule.

Option 1. The Contractor shall provide labor, supervision, plant, materials, equipment and supplies required to demolish, remove debris from government property, and backfill any remaining foundations of three, (3), structures in the UPAO area at Jennings Randolph Lake, West Virginia in accordance with the special conditions, specifications and drawings contained herein. All debris must be disposed of in accordance with Federal, State and local regulations. The Contractor shall be permitted to salvage any materials that they deem salvageable. All low areas are to be backfilled and scraped to grade. (Attachment 2, Area 1 & 2)

Option 2. The scraped surface in Area 1 will be sufficiently compacted to support parking for large motor homes and then finish graded. The fencing separating area 1 and 2 will be extended to integrate into the perimeter fence on the north side. A double gate will be installed at the fence opening closest to the solvent shed allowing an opening of 15ft. or greater for access. Fencing will be supplied by the Corps, less posts, gate, connectors, bracing, and concrete for anchorage.

Option 3. Seven, (7), security lights installed at locations to be determined later in Area 1. Lighting will be standard, automatically controlled, dusk to dawn 175 watt mercury vapor lights, mounted at a height of twelve feet, (12'), above ground level. Wiring required will be routed underground and adequately protected with appropriate backfill such as sand, conduit or both.

The bid package can be downloaded from the FeDTeDS website. No oral or written requests for the package will be honored. The requirement is set-aside for small businesses only. The NAICS for this requirement is 238910 and size standard is \$13.0 million.
