**Synopsis:** The proposed procurement is Set Aside 100% for Small Businesses. NAICS Code: 562910, Size Standard is \$500 employees. This procurement is being advertised as a Request for Proposal (RFP). The Solicitation is scheduled to be released on November 21, 2007

The Multiple Award Radiological Services (MARS) contracts awarded under this solicitation will be Indefinite Delivery/Indefinite Quantity contracts for various Radiological & Environmental Remediation Services in support of the U.S. Army Corps of Engineers Baltimore District (USACE) and its customers located anywhere within the USACE North Atlantic Region boundaries and/or assigned mission areas.

The contracts awarded will include performance based, cost-reimbursable and firm-fixed price features for a wide range of radiological & environmental services at various known or suspected sites that have been impacted by radioactive material and/or contamination. Although not the primary focus of these contracts, the work may require actions to characterize and/ or remediate co-mingled or incidental munitions and explosives of concern (MEC) and/or hazardous-toxic waste materials.

The Government intends to award multiple contracts as a result of this solicitation.

The proposals will be evaluated and contracts will be awarded to the offerors providing the best value to the Government, which will be determined by use of a trade-off process.

**Plans & Specs:** The solicitation will be provided in an electronic format, free of charge, to all authenticated account holders of [Federal Business Opportunities \(FBO\) System](#). To familiarize vendors with the newly released FBO system, please download the [Vendor Guide found here](#). Please note that all Corps of Engineers acquisitions are considered **Sensitive, But Unclassified Documents**, and require copy users to have a valid MPIN entered in the FBO system to access package.

The media through which the Government chooses to issue this solicitation will be the Internet only. This solicitation will not be issued in paper. No phone or fax request for copy of solicitation will be accepted.
