## Parish Creek Anne Arundel County, MD

---

**Type of Project:** Navigation

**Project Phase:** Operation and Maintenance

**Authorization:** The Parish Creek Federal Navigation Project was authorized by the River and Harbor Act of August 30, 1935. The project provides for a channel 8 feet deep and 50 feet wide, widened at the bends, from deep water in the West River to the head of the South Fork of Parish Creek and an anchorage basin at the junction of the North Fork, 425 feet long, 150 feet wide and 6 feet deep. The length of the project is 4,010 feet.

**Congressional Interest:**

**Senators:** Barbara A. Mikulski (MD), Benjamin L. Cardin (MD)

**Representatives:** Steny H. Hoyer (MD-5)

**Non-Federal Sponsor:** Anne Arundel County is the local sponsor and is required to provide lands, easements and rights-of-way for the dredging and placement of the dredged material.

**Background:** The project was last dredged in 1987. Based on an October 2004 condition survey, the channel had shoaled to a controlling depth of 5.5 feet at mean lower low water. The local sponsor has indicated that they have a potential placement site.

**Issues:** None

**Status:** No FY 2007 funds are currently available for this project. Engineering and design efforts will resume when funds become available.

**Funding:** FY 2007 President's Budget \$0  
FY 2008 \$0
