**THE PURPOSE OF THIS PUBLIC NOTICE IS TO ANNOUNCE THE RELEASE AND AVAILABILITY OF THE DRAFT ENVIRONMENTAL IMPACT STATEMENT (DEIS), PREPARED BY THE NUCLEAR REGULATORY COMMISSION (NRC) AND THE U.S. ARMY CORPS OF ENGINEERS (CORPS). THIS ALSO PROVIDES NOTICE OF A PUBLIC MEETING/PUBLIC HEARING BY THE NRC AND THE CORPS. AT THIS TIME, NO DECISION HAS BEEN MADE AS TO WHETHER OR NOT A PERMIT WILL BE ISSUED FOR THE PROPOSED WORK.**

The NRC is the “lead Federal agency” in the preparation of the Draft and Final Environmental Impact Statements (DEIS/FEIS) for work associated with the construction of a new nuclear power plant, at a site adjacent to the existing Susquehanna Steam Electric Station (SSES). The Corps is a cooperating agency with NRC on the preparation of the DEIS and FEIS for this proposal. The environmental impact of construction activities in waters of the U.S., including jurisdictional wetlands, will be reviewed by the Corps and addressed in the FEIS. The Corps permit decision will be made following issuance of the FEIS.

The NRC and the Corps will hold two joint public meeting/public hearings to present an overview of the DEIS and to accept public comments on the document:

Date: June 4, 2015

Location: Bloomsburg University, Monty's Building Upper Campus, 400 East Second Street, Bloomsburg, Pennsylvania.

The first meeting will convene at 3:00 p.m. and will continue until 5:30 p.m. as necessary. The second meeting will convene at 7:30 p.m., with a repeat of the overview portions of the first meeting, and will continue until 10:00 p.m. as necessary. Additionally, the NRC and Corps staff will host informal discussions one (1) hour before the start of each meeting during which members of the public may meet and talk with the NRC and Corps staff members on an informal basis. No formal comments on the DEIS will be accepted during these informal discussions.

The joint NRC Public Meetings/Corps Public Hearings will be transcribed and will include a presentation of the contents of the DEIS, and the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. To be considered, comments must be provided during the transcribed public meeting either orally or in writing.

The joint NRC Public Meetings/Corps Public Hearings will provide the opportunity for interested parties to present views, opinions, and information that will be considered by the NRC for purposes of their regulatory jurisdiction, and by the Corps in evaluating the Department of the Army permit application.

Interested groups and individuals are encouraged to attend the public meetings/hearings and to present oral comments on the DEIS. After these comments are reviewed, any significant new issues are investigated, and any required modifications are made to the DEIS, a FEIS will be published and distributed. The FEIS will contain responses to comments that were received timely in response to the DEIS.
