

4825 Glenbrook Road Weekly Update for Aug. 29, 2014

Crews continued preparing the site for the tent move activities. This week they completed backfilling the excavation area. Additionally, they took down the personal decontamination station and redress tent, and moved the small MINICAMS shed, in order to prepare for the second tent location.

Due to the Labor Day holiday, there will be no work at the site Monday, Sept. 1. When crews return to work Tuesday, Sept. 2, they will revert back to our normal schedule of 8 a.m. - 4 p.m.

Safety continues to be our number one priority at the site. Throughout every phase of the project, all necessary precautions are taken to ensure the safety of the site workers, the residents of the community, and those driving by.
