

## **4825 Glenbrook Road Weekly Update for Oct. 24, 2014**

This week crews continue setting up the equipment and preparing the site for the next phase of high probability excavations. We still anticipate starting high-probability work after Thanksgiving.

Safety continues to be our number one priority at the site. Throughout every phase of the project, all necessary precautions are taken to ensure the safety of the site workers, the residents of the community, and those driving by.

To reach a Spring Valley Army Corps representative in the event of an after-hours emergency, please call the project's 24-hour hotline: 1-888-393-0059. During business hours, please continue to call the Spring Valley Community Outreach Team at 410-962-0157.
