

Defense Distribution Susquehanna, PA

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG®

FACT SHEET as of February 2015

Background: Located in New Cumberland, Pa., the Defense Distribution Susquehanna, Pa., covers approximately 850 acres. The missions of this Defense Logistics Agency (DLA)-managed installation include the distribution of military and commercial repair parts, clothing and textiles, medical supplies and industrial and electronic components to military customers throughout the United States and the world. A total of 3,600 personnel are employed/stationed at the installation with the vast majority being civilians.

For nearly 80 years, material to support U.S. military forces has moved through this installation that was established in 1918 as the Marsh Run Storage Depot. DLA Distribution Center was established on Oct. 1, 1997, through the consolidation of the Defense Distribution Region East and the Defense Distribution Region West.

Names and phone numbers of significant installation points of contact are as follows:

Congressional Rep (R-4 th)	Scott Perry	
DLA Distribution Commander	Brig. Gen. Richard B. Dix	(717) 770-7401
