06

DOING BUSINESS WITH US

USACE ORGANIZATION

- 9 Regionally-aligned Divisions
- 44 Geographic Districts
- 9 Centers and Laboratories
- 40+ Centers of Expertise
- 1 Active-Duty Unit (249th Prime Power Battalion)
- 2 Army Reserve Theater Engineer Commands (412th and 416th)
- 8 Centers of Standardization
- Engagement in 110+ Countries
- Physical Presence in 39 Countries

ENGINEERING SOLUTIONS FOR THE NATION'S TOUGHEST CHALLENGES

USACE PRIORITIES

“Our costs and our speed must be more in line with that of the private sector and that of our Non-Federal Sponsors. This is what our fellow citizens expect – that we efficiently spend their tax dollars to effectively deliver our important work.” – LTG Graham, Chief of Engineers

Deliver today: Renewed emphasis on getting the engineering right, getting the project management right and getting the business right. Goal is to increase the pace of improvements and stay focused on outcomes.

Innovate today to deliver better tomorrow: USACE is working to craft innovations that will allow us to deliver faster, smarter and together with our partners.

Focus on people always: USACE will focus on building well-led, cohesive Project Delivery Teams, staffed with the right number of team members who have the right level of training and experience.

BALTIMORE DISTRICT

US Army Corps
of Engineers®
Baltimore District

Mission

Deliver vital engineering solutions in collaboration with our partners to serve and strengthen the Nation, energize the economy and reduce disaster risks.

Vision

Forward thinking, collaborative and trusted team of teams, building organizational readiness and enduring national resilience.

BALTIMORE DISTRICT LEADERSHIP

Colonel Francis B. Pera
District Commander

**Lieutenant Colonel Mark
W. Pollak**
Deputy District
Commander

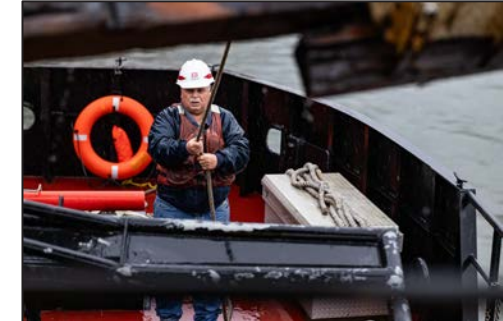

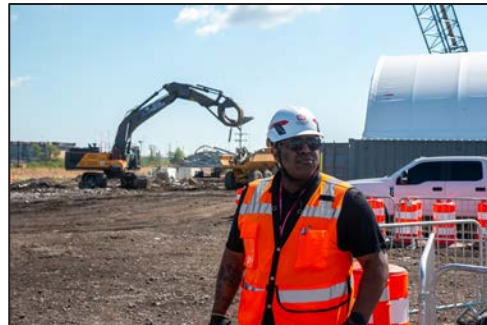

Daria Van Liew, PE
Deputy District Engineer
for Program and Project
Management

WHO WE ARE

Largely civilian workforce of approximately **1,000** delivers a provides vital engineering, design, construction, and water resource management solutions to the National Capital and mid-Atlantic regions (six states and the District of Columbia) including the Susquehanna River, Potomac River, and Chesapeake Bay watersheds, and **7,000 miles** of coastline.

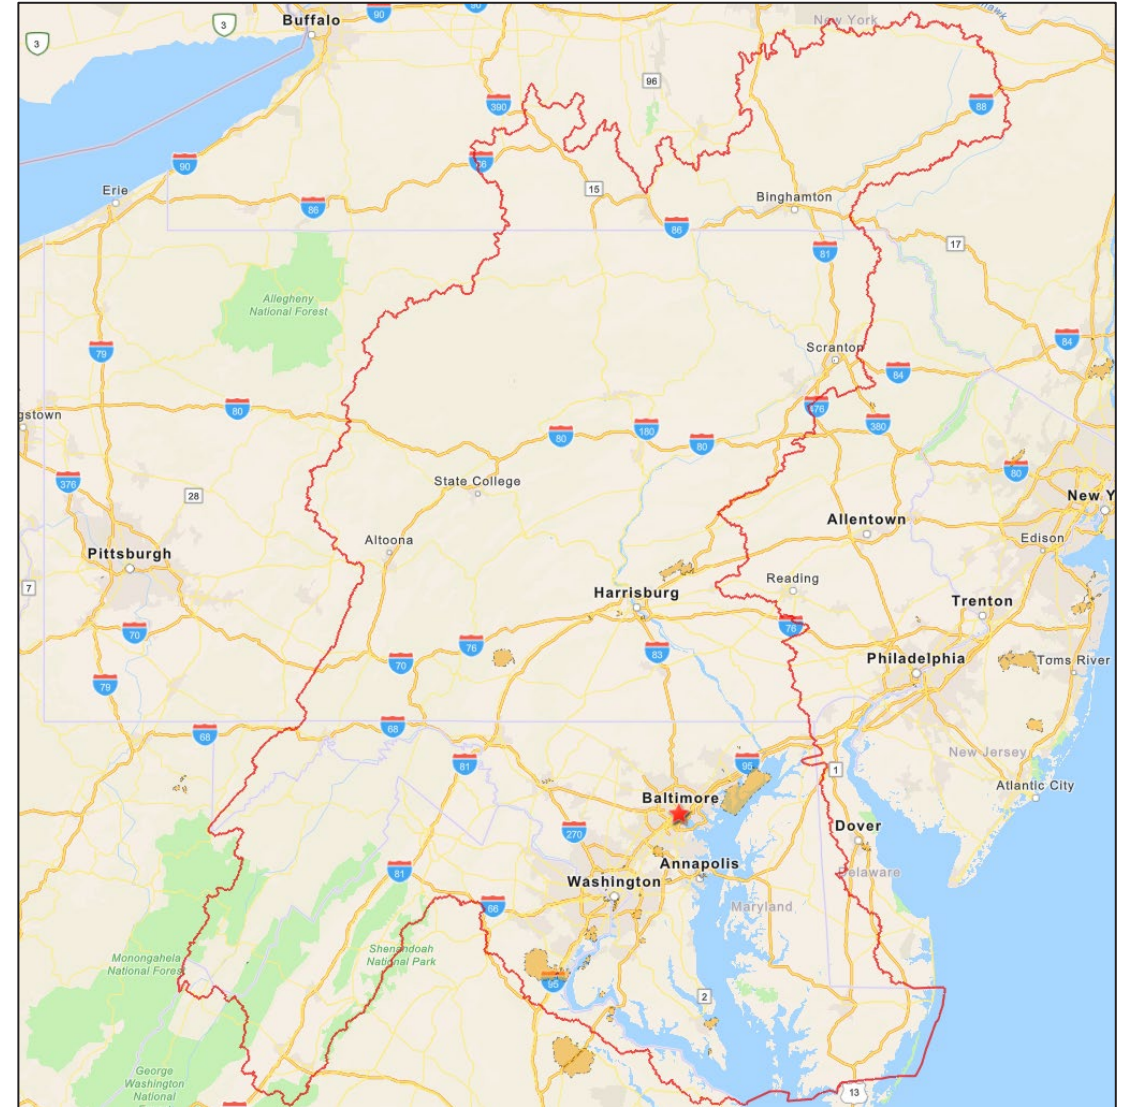

WHAT WE DO

- Maintain **290 miles of federal channels** through dredging and drift clearance
- Inspect **~150 miles of federally constructed levees**
- Regulate **16 flood risk management reservoir projects**
- Prevent **\$16 billion** in flood damages to date
- Operate and maintain **11 recreation projects** with **15+ million visitor hours** annually
- Restore **1,715 acres** of remote island habitat in the Chesapeake Bay
- Provide **135 million gallons of water** per day to one million people and Government/Defense Facilities throughout the National Capital Region
- **\$240 million** obligated to small business in FY25

CIVIL WORKS

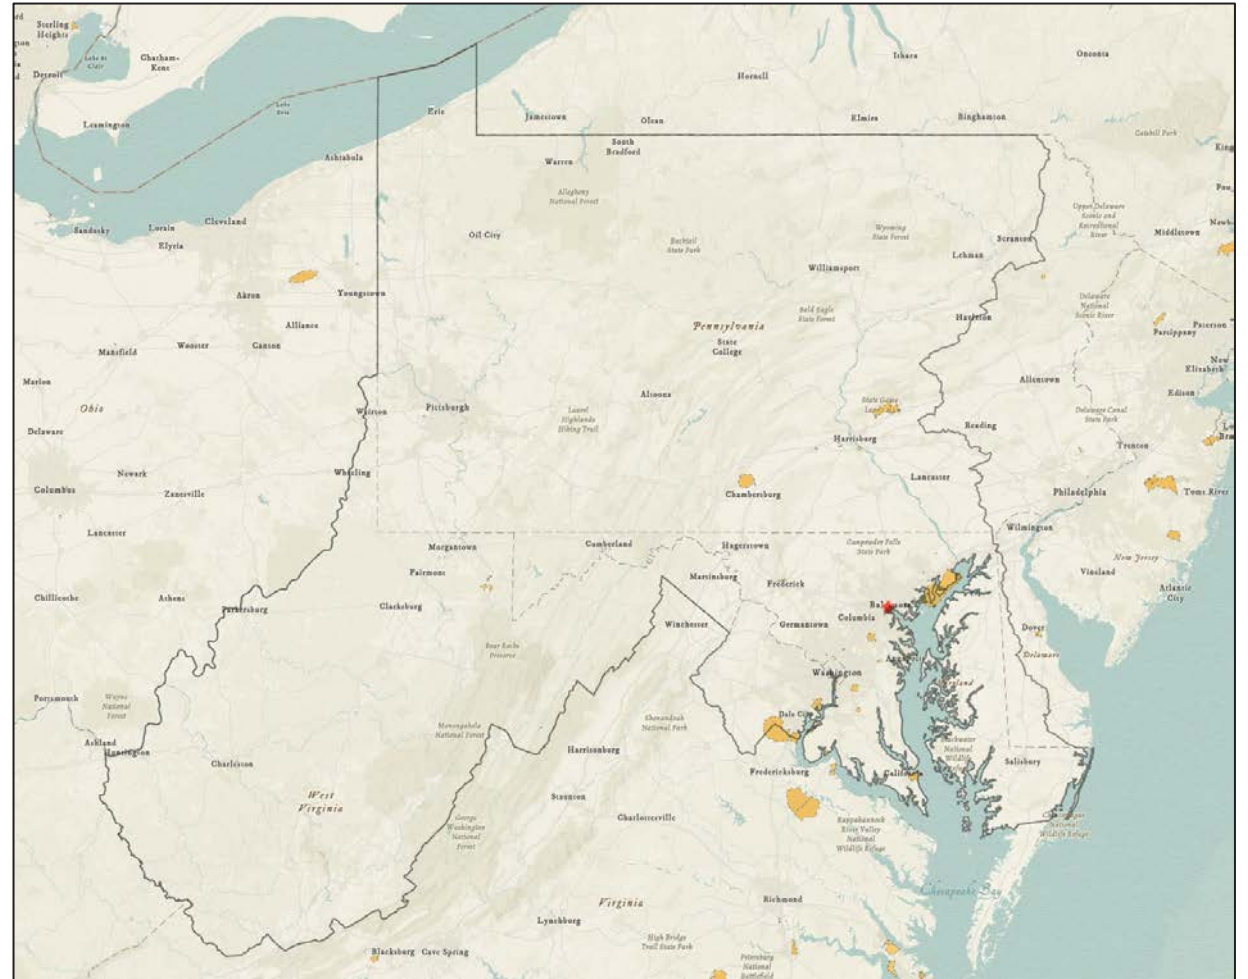

We manage water resource planning, engineering design and construction related to navigation, recreation, flood risk management and infrastructure and environmental stewardship in the **Susquehanna and Potomac watersheds** and upper **Chesapeake Bay**, encompassing 64,000 square miles and 7,000 miles of coastline.

US Army Corps
of Engineers®
Baltimore District

MILITARY PROGRAM

We provide primary water resources, renovation and construction support to **14 military installations** in MD, VA, DC, PA and WV, and support one of the largest and most visible military missions in the country due to our work in the National Capital Region.

US Army Corps
of Engineers®
Baltimore District

ENVIRONMENTAL AND MUNITIONS DESIGN CENTER

- Environmental cleanup program focuses on reducing risk and protecting human health and the environment in a timely and cost-effective manner
- Cleaning up sites contaminated with hazardous, toxic or radioactive waste or ordnance through the Formerly Used Defense Sites program within PA, MD, DE, and VA
- Oversight of **SM-1 and SM-1A** Deactivated Nuclear Power Plant Decommissioning and Dismantlement projects

WASHINGTON AQUEDUCT

- Federally owned and operated public water supply agency that produces an average of **135 million gallons of water per day** at two treatment plants located in the District of Columbia
- Produces drinking water for approximately one million citizens living, working, or visiting the National Capital Region, as well as all three branches of government, the Pentagon, and the many federal agency headquarters and offices centralized within the area
- Ongoing three-year, \$3 million feasibility study for backup water supply – secondary water source and additional water storage capacity

CONTRACTING AND SMALL BUSINESS SUPPORT

- Comprehensive acquisition services to ensure timely execution of requirements while upholding best value, quality, ethics, and compliance
- Business opportunities to work with USACE for individuals and firms, such as HubZone, Veteran-Owned, Small Disadvantaged Business and Small Women-Owned businesses, in the civilian community through our engineering and construction management work

EMERGENCY OPERATIONS

- Reduce Disaster Risk through partnerships with local, state and federal Emergency Management Agencies and stakeholders
- Strengthen National resilience
- Provide vital engineering and technical expertise during emergency response and recovery

EMERGENCY CONTRACTOR CALL LIST

- The information collected through this form will be captured on the Emergency Contractor Call List (ECCL) and retained by the Baltimore District Office of Emergency Management and Contracting Division.
- When disaster strikes, the ECCL enables rapid outreach to local firms across the Baltimore District Area of Responsibility that stand ready to deliver fast, efficient, right-sized support at the point of need.

A promotional banner for the USACE - Baltimore District Emergency Contractor Call List. The background is a dark, low-key photograph of construction workers wearing hard hats and safety vests. The text is overlaid in white and yellow. The main title is 'USACE - Baltimore District Emergency Contractor Call List'. Below it, there is a call to action: 'Submit any questions in reference to this form to: andrew.s.hill@usace.army.mil'. A disclaimer follows: 'DISCLAIMER: Information collected will support our emergency response efforts under Revolutionary FAR Overhaul (RFO) Part 18 and Subpart 26.2 and will inform future market research and outreach. Your response does not constitute a Government commitment, and no costs will be reimbursed for submitted information.' At the bottom left, there is a white button with the text 'Start now'. In the top right corner, there is the US Army Corps of Engineers logo and the text 'US Army Corps of Engineers® Baltimore District'. In the bottom right corner, there is another US Army Corps of Engineers logo and the text 'US Army Corps of Engineers® Baltimore District'.

EMERGENCY CONTRACTOR CALL LIST

- Respondents may be contacted at any time in support of urgent or contingency operations.
- The ECCL is for planning, market research, and communication purposes only. Inclusion or exclusion from the ECCL does not constitute a prequalification, approval, or exclusion from future contracting opportunities, nor does it limit the Government's ability to pursue full and open competition or utilize any authorized acquisition.

SMALL BUSINESS OFFICE HIGHLIGHTS (FY25) AND INITIATIVES (FY26)

Key Highlights (FY25):

- Obligated \$240M to SB and \$156M to SDB.
- Met WOSB goal for the first time since FY19.
- Met our HUBZone goal for the sixth consecutive year.
- Awarded contracts to four new small business entrants to the Government and six entrants to USACE.

Initiatives (FY26):

- Prioritizing cost-effective outreach, via virtual and local events.
- Pre-scheduling capability briefings, focusing on vendors new to Baltimore District who are aligned with our mission needs.

Tamika Gray
Deputy for Small Business

Michael Stearns
Deputy for Small Business

2025 USACE SMALL BUSINESS SUCCESS STORY OF THE YEAR: INTERIM STABLES

- Teams behind the Interim Stables facility on JBM-HH were recognized for their innovative solutions, rapid acquisition, and mission-focused execution to restore 3d U.S. Infantry Regiment (The Old Guard) capacity to honor fallen service members with dignity and respect.
- The selected small business contractor, **JBW Federal**, proposed an elevated platform solution that addressed multiple constraints simultaneously. By raising the facility on helical pile foundations with minimal surface disturbance, the design allowed parking lot runoff to flow beneath the structure, eliminated the need for extensive site work, and created a system that could be removed and reassembled elsewhere.

FY26 CONTRACTING OPPORTUNITIES

Disclaimers / Notes

Key Information:

- Required semiannually under Public Law 100-656 (Business Opportunity Development Reform Act of 1988).
- Not exhaustive. Excludes sole-source awards and task / delivery orders under existing contracts.
- **For informational purposes only.** All items are subject to change based on funding, real estate, permits, and other external factors.

Formatting Notes:

- Anticipated Solicitation Date: **Green bolded text** indicates currently posted on SAM.gov.
- Anticipated Acquisition Strategy: **Blue Bolded Text** indicates AE opportunity for construction contract.

Important Notes:

- Strategies may change as market research and requirements evolve.
- Small businesses are **strongly encouraged** to respond to Sources Sought Notices, as these responses directly influence set-aside decisions and acquisition strategies.

FY26 CONTRACTING OPPORTUNITIES

ARCHITECTURAL-ENGINEERING SERVICES

Description	Location	Anticipated Solicitation Date (By Quarter)	Capacity	Anticipated Acquisition Strategy
A-E Services for Master Planning (MATOC) Targeted Award of Three	NAD-wide	FY26, Q4	\$50,000,000	Set-Aside SB
Topographic Surveying, Mapping, and Geospatial Services (MATOC) Targeted Award of Three	PA, MD, DE, WV, PA, and D.C.	FY26, Q3	\$10,000,000	Set-Aside SB

ENVIRONMENTAL SERVICES

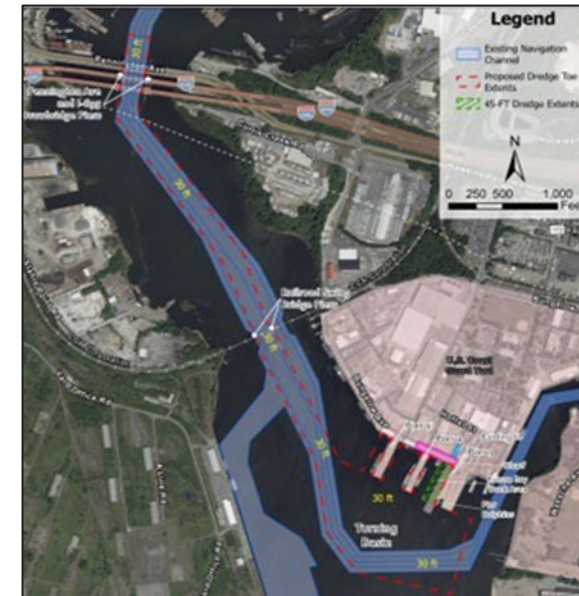

Description	Location	Anticipated Solicitation Date (By Quarter)	Capacity	Anticipated Acquisition Strategy
Multiple Award Military Munitions IV (MAMMS) Targeted Award of up to 10 firms	CONUS-wide, AK, HI, and U.S. Territories	FY28	\$240,000,000	Unrestricted w/SB Reserves

FY26 CONTRACTING OPPORTUNITIES

INTERNATIONAL AND INTERAGENCY SUPPORT

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Construction	Anticipated Acquisition Strategy
USCG Waterfront Infrastructure Improvements	Curtis Bay, MD	FY26, Q3	\$250M to \$500M	Unrestricted DB to Budget
U.S. Coast Guard Curtis Creek Channel Deepening	Curtis Bay, MD	FY27	\$50M to \$75M	Unrestricted DBB
Replace Skid Range at Federal Law Enforcement Training Center	Cheltenham, MD	FY27	\$2.5M to \$5M	TBD

FY26 CONTRACTING OPPORTUNITIES - MILITARY

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Construction	Anticipated Acquisition Strategy
Construct Rocket and Missile Maintenance Facility and ACP at Letterkenny Army Depot	Chambersburg, PA	FY26, Q2	\$75M to \$100M	Unrestricted DBB
Construct Missile / Munitions Distribution Facility at Letterkenny Army Depot	Chambersburg, PA	FY26, Q2	\$50M to \$75M	Unrestricted DBB
Building 350 Renovation Phase 3 – LEAD	Chambersburg, PA	FY26, Q2	\$10M-\$25M	Unrestricted DBB
Construct Component Rebuild Shop (PH1) Letterkenny Army Depot	Chambersburg, PA	FY26, Q3	\$50M to \$75M	Unrestricted DB to Budget
Construct Cyber National Mission Force Operations Building (CNMF)	Fort Meade, MD	FY26, Q3	\$1.00B to \$1.25B	Unrestricted DB*
Construct UEPH at Joint Base Myer - Henderson Hall	Fort Myer, VA	FY26, Q3	\$100M to \$250M	Unrestricted DBB

* DB with implementation of Price Redetermination FAR Clause

FY26 CONTRACTING OPPORTUNITIES - MILITARY

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Construction	Anticipated Acquisition Strategy
Repair Building 61 / 61A (Roosevelt Hall) at Fort McNair	Washington, D.C.	FY26, Q3	\$75M to \$100M	Unrestricted DBB
Repair Building 251 (Troop Medical Clinic) at Joint Base Myer - Henderson Hall	Fort Myer, VA	FY26, Q3	\$25M to \$50M	Unrestricted DBB
Construct Module 2 of Computing Module Farm	Aberdeen Proving Ground, MD	FY26, Q3	\$7.5M to \$10M	Set-Aside SB DBB
Expand and Modernize Building 356 (Combined Support Maintenance Shop) at Joint Base Anacostia-Bolling	Washington, D.C.	FY26, Q4	\$20M to \$25M	TBD DBB
VCP6 Barrier Improvements	Fort Meade, MD	FY26, Q4	\$7.5M to \$10M	Set-Aside SB DBB
Replace Transformer and Switchgear and Install Redundant Feeder at Building 256 at Naval Research Laboratory	Washington, D.C.	FY26, Q4	\$25M to \$50M	TBD DBB
Replace AHU at Building 210 at Naval Research Laboratory	Washington, D.C.	FY26, Q4	\$1M to \$2.5M	Set-Aside SB DBB

FY26 CONTRACTING OPPORTUNITIES - MILITARY

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Construction	Anticipated Acquisition Strategy
General Purpose Warehouse B730, New Cumberland Army Depot	New Cumberland, PA	FY27	\$100M to \$250M	Unrestricted DBB
Construct Replacement of Kimbrough Ambulatory Care Center (KACC)	Ft. Meade, MD	FY27	\$250M to \$500M	Unrestricted DB
Construct Strategic Engagement Center (Patton Hall Replacement) at Joint Base Myer - Henderson Hall	Fort Myer, VA	TBD	\$75M to \$100M	Unrestricted DB*

*** Potentially Accelerated DB**

Construct SCIF on Third Floor of Defense Threat Reduction Center	Fort Belvoir, VA	FY26, Q4	\$2.5M to \$7.5M	Set-Aside SB DBB
Replace Transformers at Buildings 71 and 101 at Naval Research Laboratory	Washington, D.C.	FY27	\$5M to \$7.5M	Set-Aside SB DBB

FY26 CONTRACTING OPPORTUNITIES – CIVIL WORKS

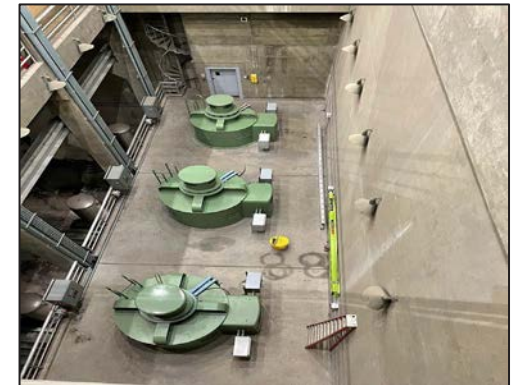

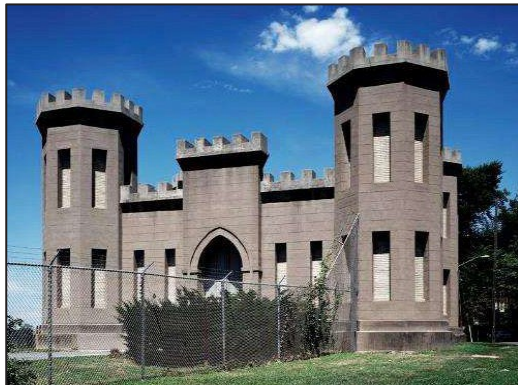

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Construction	Anticipated Acquisition Strategy
Rock Wall Stabilization/Asphalt Access Roads at Alvin R. Bush Dam	Clinton County, PA	FY26, Q2	\$25M to \$50M	Unrestricted DBB
Atlantic Coast of Maryland Berm Reconstruction	Ocean City, MD	FY26, Q3	\$20M to \$25M	Unrestricted DBB
Plum Creek Community Park Culvert Removal and Stream Restoration	Conewago Township, PA	FY26, Q3	\$2.5M to \$5M	Set-Aside SB -DB
James Island Ecosystem Restoration (Phase 2)	Dorchester County, MD	FY26, Q4	\$100M to \$250M	Unrestricted DBB
Whitney Point Dam Regulating Outlet Works Rehabilitation	Whitney Point, NY	FY26, Q4	\$10M to \$25M	Unrestricted DBB

FY26 CONTRACTING OPPORTUNITIES- WASHINGTON AQUEDUCT

Description	Location	Anticipated Solicitation Date (By Quarter)	Magnitude of Work	Anticipated Acquisition Strategy
MATOC Architectural - Engineering Services <i>Targeted Award of Four</i>	Washington, D.C	FY27	\$35M	TBD
Replace McMillan North Clearwell	Washington, D.C.	FY26, Q3/4	\$100M to \$250M	Unrestricted DBB
Dalecarlia West Filter Building Upgrades	Washington, D.C.	FY28	\$25M to \$100M	Unrestricted DBB

FY26 Baltimore District Brochure

Baltimore District Boundary Maps

Business With Us

The U.S. Army Corps of Engineers (USACE) has played a key role in the development and growth of the nation in peace and in war. For more than 200 years, USACE has supported the nation's river-based commerce, protected established population centers, provided disaster response and constructed military facilities to protect our nation.

The Baltimore District (NAB) is a full service District that executes regional and national programs for USACE. Headquartered adjacent to Baltimore's Inner Harbor, the District provides engineering, construction, environmental and real estate expertise to a variety of important projects and customers. The 1,100 employees of the Baltimore District continue to serve the Mid-Atlantic States and the Nation.

Civil Works support encompasses the Susquehanna, Potomac, and upper Chesapeake Bay watersheds, and it spans across six states and the District of Columbia. NAB is responsible for 15 reservoirs with 11 recreation projects, 290 miles of federal navigation channels, 148 miles of federally-constructed levees, and has restored hundreds of acres of wildlife habitat in the Chesapeake Bay.

Military programs are primarily in Maryland, Pennsylvania, District of Columbia, northern Virginia, Delaware, and West Virginia. In addition to supporting service members at more than a dozen major military installations in the District's primary area of responsibility, NAB provides real estate, environmental, and specialized support to military and other Federal clients across the nation and the globe.

NAB fully supports the government policy of placing a fair proportion of its contracts for architect and engineering, environmental, construction and support services with qualified small, small disadvantaged, women-owned, HUBZone and service-disabled veteran-owned small businesses. In addition, such concerns are to also be afforded the maximum practicable opportunity to participate as subcontractors in qualifying contracts awarded to large businesses.
