

Baltimore Coastal Storm Risk Management Study

Comment Card

Help us out! We appreciate your feedback.

Please indicate on the map within the dotted line areas with a star(s) or X(s) where you've observed coastal flooding (flooding from tropical storms, hurricanes, nor'easters).

Please describe below the timing, severity, frequency, impact(s) and cause(s) of the flooding, if known.

****Flip sheet over for additional space, questions and feedback requests.****

Have you been impacted by hurricanes or coastal storms; if so, how? _____

Does your family/business have a plan to respond to flooding, or have you taken steps to reduce flooding at your property? If so, please explain. _____

Have you experienced impacts/disruptions to transportation services during your commutes to home, school, work, etc.? If so, please explain the type of service(s) disrupted/location(s) of service(s) (rail, roads, buses, Metro, etc.) _____

Do you have any other comments/concerns with coastal flooding? Or, use space to finish description from front page. _____
