Baltimore District
Permit Application No. NAB-2024-60845-M52

On December 9, 2025, the U.S. Army Corps of Engineers, Baltimore District (Corps) issued a 30-day public notice regarding Corps' receipt of an application for a Department of the Army permit requesting permission to impact waters and wetlands associated with the U.S. Secret Service's proposed defense training facility located on a 43-acre site adjoining its James J. Rowley Training Center at 9200 Powder Mill Road, east of the Baltimore-Washington Parkway.

Public Notice Extension: The Corps' public comment period for the proposed project was originally set to expire on January 8, 2026. We have determined extending the public comment period with a new expiration date of **February 7, 2026**, is in the public interest and is hereby granted.

The information provided in Corps' public notice (PN-25-44) remains unchanged. The public notice is available at the following website address: <https://www.nab.usace.army.mil/Missions/Regulatory/Public-Notices/Public-Notice-View/Article/4350359/pn-25-44-nab-2024-60845-us-secret-service-saf-jjrtc-defense-training-facilityin/>

The Baltimore District will receive written comments on the proposed work, as outlined above, until February 7, 2026. Comments should be submitted electronically via the Regulatory Request System at <https://rrs.usace.army.mil/rrs>. The Corps' point of contact for this project is Kristen Rigney at kristen.l.rigney@usace.army.mil.
