Help us out! We appreciate your feedback.

Please indicate on the map with a star(s) or X(s) where you've observed coastal flooding (flooding from tropical storms, hurricanes, nor'easters). Please describe below the timing, severity, frequency, impact(s) and cause(s) of the flooding, if known. ****Please also indicate on the large printed maps (using color-coded Post-it notes) where you have observed coastal flooding, see potential opportunities for coastal flood risk management measures, and/or know of any ongoing or proposed construction/development in the study area.****

****Flip sheet over for additional space, questions and feedback requests.****

Have you ever been impacted by hurricanes or strong coastal storms in the region? If so, how? _____

Does your family have a plan to respond to floods, or have you taken steps to make your property less at risk from floods? If so, please explain. _____

Have you experienced impacts to infrastructure/services from flooding (road closures, metro delays, etc.)? Please describe. _____

Do you have any other comments/concerns with regards to coastal flooding? Or, use space to finish description from front page. _____
