

## **Public Notice**

In Reply to COE Application Number NAB-2018-02152 (MDOT SHA/I-495 I-270 Managed Lane Study) and MDE, Nontidal Wetlands and Waterways Tracking Numbers 20-NT-0114 / 202060649 / AI 168251

PN- 20-42 REVISED Comment Period: 7/10/2020 to 11/6/2020 (Corps)

7/10/2020 to <u>11/9/2020 (MDE)</u>

Regarding the Joint Permit Application for the I-495 & I-270 Managed Lanes Study submitted by MDOT SHA to the US Army Corps of Engineers (Corps) and Maryland Department of the Environment (MDE), COE Application Number NAB-2018-02152 and MDE, Nontidal Wetlands and Waterways Tracking Numbers 20-NT-0114 / 202060649 / AI 168251:

The deadline for comments on the I-495 & I-270 Managed Lanes Study Joint Permit Application has been extended to <u>November 6, 2020 for the Corps</u> and <u>November 9, 2020 for MDE.</u>

All other elements of the original I-495 & I-270 Managed Lanes Study Public Notice posted/sent on July 10, 2020 remain unchanged and additional project and permitting information can be found on the program website (https://495-270-p3.com/), the MDE website (https://mde.maryland.gov/programs/Water/WetlandsandWaterways/Pages/index.aspx), and the Corps website (https://www.nab.usace.army.mil/Missions/Regulatory/Public-Notices/Public-Notice-View/Article/2269704/pn-20-42-nab-2018-02152-mdot-shai-495-i-270-managed-lane-study/). Hard copies of the Joint Permit Application are available for public review at the locations listed on the program website.

Questions and/or comments can be directed to Jack Dinne (Corps) at john.j.dinne@usace.army.mil and Steve Hurt (MDE) at MDE.SHAprojects@maryland.gov.
