

# Save The Date

US Army Corps of Engineers  
**BUILDING STRONG**

**U.S. ARMY**

**Who** The U.S. Army Corps of Engineers in coordination with state and local representatives

**What** A public open house and formal presentation to celebrate **50 years of operation** for the **Foster Joseph Sayers Dam**, serving Centre County, Pennsylvania

**Where** Tours will be given at the F.J. Sayers Dam gatehouse, and the formal presentation will occur near the F.J. Sayers memorial

**When** Saturday, Sept. 28, 2019, from 10 a.m - 2 p.m. with presentation at 11 a.m.

**Why** F.J. Sayers Dam is operated and maintained by the Army Corps of Engineers. Since its completion in 1969, it has **prevented more than \$212 million in flood damages** for downstream communities. The dam is **named in memory of Private First Class Foster Joseph Sayers**, a former resident of Centre County, who was awarded the **Congressional Medal of Honor** for his heroic service as a **U.S. Army machine gunner in WWII**. We honor this American hero and flood risk management project by opening our facilities to the public in their recognition.
