Where to learn more about the draft Master Plan The entirety of the draft Master Plan is hundreds of pages and we recognize that reading all of those pages may not be feasible and/or preferred reading for some. So we've made a "highlights" of the plan available for everyone to view along with the plan. Our goal with the highlights of the draft Plan are to make it easier for anyone to get an overall look at the plan and provide a roadmap to where these pieces of information can be found within the draft Plan.

Project Website: You'll find our "highlights" information and other helpful resources for going through the draft Plan on our project website.

Open House: Project team members will be available for an Open House Nov 3&4 to discuss specifics of the plan and answer any questions you may have. We'll be sending out more details on the Open House soon.

Project Inbox: Anytime you have a question, please feel free to ask it. You can do so by emailing RaystownMPRevision@usace.army.mil and one of our project team members will get back to you.

If you have any questions, please feel free to reach out through the project mailbox at RaystownMPRevision@usace.army.mil. Please share these updates with anyone else interested. These updates along with the shareable .pdf are also located on our project webpage at: <https://www.nab.usace.army.mil/raystown-master-plan-revision/>.

Below is a complete schedule of what is to come.

October 23, 2019: Release of Draft Master Plan

The Raystown Lake draft Master Plan will tentatively be released on October 23, 2019 for the public. You'll be able to find the draft Plan on our project website and in printed form in specific local libraries.

October 23, 2019: Official Draft Master Plan Comment Period Begins

Once the draft Plan is published to our Raystown Lake Master Plan Revision project webpage, the official public comment period will begin. We will accept comments and feedback via the project page, email and mail.

November 3 & 4, 2019: Open House Sessions

We will host two Open House days for the community to ask questions, submit comments, and learn more about the draft Plan with our project team members.

December 7, 2019: End of Official Comment Period

The last chance for the public to submit their feedback and comments will tentatively be December 7, 2019. This marks the end of the 45-day comment period. Comments received after this date will not be included for evaluation and analysis within the final Master Plan.

Summer 2020: Release of the 2020 Raystown Lake Master Plan

After official comments have been examined and evaluated, any revisions necessary will be made. Once any edits are complete, the Baltimore District Commander will sign the final Plan, officially making the document the 2020 Raystown Lake Master Plan.

Further details regarding each of these milestones will be released closer to the tentative date of each milestone. We'll continue to share as much information as possible with you throughout this process. We look forward to releasing the draft Plan and interacting with many of you at the open house.

If you have any questions, please feel free to reach out at any time through the project mailbox at RaystownMPRevision@usace.army.mil and share these updates with anyone else interested. These updates along with the shareable .pdf are also located on our project webpage at: <https://www.nab.usace.army.mil/raystown-master-plan-revision/>.
